Troopers Hill Local Nature Reserve

Troopers Hill in St George, East Bristol, is a hillside that has been quarried and mined in the past and overlooks the River Avon. The hill contains a fascinating mix of history, wild plants and animals. With heather and broom, rocky crags, spoil heaps and gullies, stunning views and two listed chimneys, Troopers Hill is one of the most spectacular wildlife spots in the city.

Contact Friends of Troopers Hill for your free copy of a set of three leaflets describing the hill, its wildlife, history and geology.
