

Works for this winter funded by the Heritage Lottery Fund - Gorse and scrub removal to left of yellow line.

Works for this winter funded by the Heritage Lottery Fund - Broom and scrub removal

Area above path connecting Troopers Hill to steps leading down to adjacent woodland area.

Works for this winter funded by the Heritage Lottery Fund - Tree felling and scrub clearing

The line of work would go from, but not including the birch in the foreground, down following and taking out the line of birch and other scrub downhill to a point stopping where it is too steep to operate safely. Cut matter to be placed safely in thicker wooded area.
