AWARD - 5 stars

AREAS OF ACHIEVEMENT

1. A wonderful 'wild' area in the heart of Bristol which is well managed by volunteers and Bristol City Council who work very well in partnership.
2. Excellent interpretation boards, leaflets and trails all around the site.
3. A wide and varied programme of events for all ages and abilities, especially during the school holidays. These are well supported and the whole area is extremely well used by the community.
4. Financially the site is in a very stable position having secured Heritage Lottery funding to replace rotting fences, provide more information boards and surveys and events in the future.

AREAS FOR DEVELOPMENT

1. New paths for better disabled access where possible.
2. Encourage those who live locally and use the site frequently to report any problems or areas which need improvement.
