### **AREAS OF ACHIEVEMENT**

1. An extremely well managed large area with very open access.
2. Excellent fundraising and successful grant applications, have allowed many projects to be undertaken. These include replacing boundary fencing to make the site more secure and not allow vehicle access, provision of excellent interpretation boards and organising a range of activities for children and adults.
3. The variety of species growing on this site are very valuable in this inner city environment.

### **AREAS FOR DEVELOPMENT**

1. Keeping the momentum going is always going to be an issue. Volunteers are the key to the future.
2. Involvement of as many different groups as possible will encourage more people to use and respect this very valuable area.
3. Liaison with Bristol City Council and other local and national organisations will secure the future and raise the profile of Troopers Hill.
