Areas of Achievement:												
1	Outstanding levels of community involvement from many sectors of the community. Volunteers undertake a wide range of tasks relevant to their skills and availability.											
2	Communications generally - Website, Facebook, Twitter and more traditional means are outstanding.											
3	There is a clear vision for development and management of the site, developed in partnership with BCC and the community.											
4	Very sensitive management of vegetation aimed at creating conditions where locally native species may thrive but without reintroducing them, combined with judicious weeding of inappropriate species.											
5	A consciousness of the need for parts of the site to be accessible to everyone.											
6	Very impressive levels of fundraising.											
Areas for Development:												
1	Continue to implement the aims and objectives of the management plan.											
2	Enhance the clearance of dog fouling where possible.											
3	Achieve even higher levels of litter control if possible.											
4	Think about opportunities to enhance children's play relevant to the site: http://www.forestry.gov.uk/forestry/INFD-7LSEHW ; http://www.playengland.org.uk/media/141887/design-for-play-introduction.pdf
